Travel insurance is recommended. It cost \$39 per student. The primary reason to take the insurance is to protect your financial investment in this trip in case your child has to cancel, (after penalties take effect,) due to a covered reason. Generally covered reasons are for things that happen to the traveler, their parents, siblings or grandparents that cause them to not travel. Respective documentation by a doctor, policeman or fireman is required for the claims process. For full details or to purchase insurance go to:
